

Finland's Star Sets Record for Course of 68 Runners

I. Prim, at 34, Defeats Field of 68 Runners

Completes 6-Mile Race in 32:23, Which Will Stand as Record; O'Connor 2d

By Jack Masters

Iimar Prim, thirty-four-year-old veteran of the Finnish-American A. C., won his first title yesterday afternoon when he defeated a field of sixty-eight runners in the junior metropolitan cross-country championship over the new six-mile intercollegiate course in Van Cortlandt Park. The winner's time of 32 minutes 23 seconds will stand as the record for the new trail, at least until the senior classic is decided next Saturday.

The Finn, who was made the favorite because of his numerous recent victories in local road runs, exceeded the expectations of his club connections and turned the race into what practically amounted to a walkover. Taking the lead as soon as the pack straightened out, he was never threatened and finished about three hundred yards ahead of Jim O'Connor, Milwaukee A. A., the second man, who beat Jack Phillips, Paulist A. C., for the place by about fifteen yards.

The latest addition to the championship circle lives in the Bronx and is a product of Coach Witke, who also developed William Rittke, the junior national cross-country title holder. Team honors fell to the St. Anselm's A. C. with a low score of 52. The Mohawk Harriers were second with 63 and the Finnish-American A. C. third with 65.

More Than 2,000 Witnesses

More than 2,000 witnesses gathered at the starting point on the parade grounds to witness the first title race over the new course, which is a combination of grass and mud and is a real test of endurance. The heart-breaking finish which featured the lay-out have all been eliminated, and this in a large measure is responsible for the fast time of the winner.

In winning the title last April Joe Loggins, St. Anselm's A. C., was clocked in 33:24, three minutes and one second faster than Prim's performance yesterday.

Prim, the pacemaker, assumed his place in front of the big pack almost as soon as the starting gun was fired. He was followed by the veteran O'Connor holding second place by about twenty yards. G. Nilsson, also of the Finnish club, was the third man, and a private fight for second and third places.

At the completion of the first lap of three miles Prim had increased his advantage to 150 yards, with the veteran O'Connor holding second place by about twenty yards. G. Nilsson, also of the Finnish club, was the third man, and a private fight for second and third places.

When the pack flashed into sight for the final sprint to the tape it was seen that Prim had a comfortable lead of 150 yards, and he crossed the line easily. O'Connor, who was reserved his strength for the struggle for the place, did not get the silver medal without a battle, and for a few moments it seemed that Phillips would beat him, but the Paulist man gave up the fight about fifty yards from home.

Prim Forces Fast Pace

The leader continued to force a killing pace, and although he appeared fresh many believed that he would crack before the finish of the long race. Prim had a comfortable lead of 150 yards, and he crossed the line easily. O'Connor, who was reserved his strength for the struggle for the place, did not get the silver medal without a battle, and for a few moments it seemed that Phillips would beat him, but the Paulist man gave up the fight about fifty yards from home.

Why This Was So

Why this was so, I'll take up my own case. When we got to the open at Columbia I was kept for golf. I wanted to play. I was able to concentrate without effort and to get my distance without effort. I had the touch and the feel one needs to win.

But when the Western open arrived I was in another mood. After the first lap I was in a bad way. I was tired and my legs were aching. I was not in the mood to play. I was not in the mood to play. I was not in the mood to play.

When you get to the green you can't see the right line. You have no idea how hard to hit your putt. In fact, your club is crumbling, and you know it. It is a terrible feeling. It is a terrible feeling. It is a terrible feeling.

Too Much Golf

The American team played too much golf at Holyoke, considering the matter of a daily gallop watching the shot for ten days before the championship. The result was that Bobby Jones and Outmet were beaten by golfers not even in their class. Both Jones and Outmet were beaten by golfers not even in their class.

N.Y.U. Freshman Harriers Lose to Mount Vernon

Mount Vernon High School's cross-country team defeated the New York University freshmen in their dual clash yesterday at Van Cortlandt Park by a score of 24 to 33. The Harriers raced over one lap of the recently selected intercollegiate championship course, J. J. New York University.

Lone Tally Beats St. Paul's

GARDEN CITY, L. I., Nov. 5.—The Hackley School eleven defeated St. Paul's here to-day by a score of 7 to 0. The victory was pushed over the line early in the third period and Lewis kicked the goal.

Brooklyn Prep An St. John's In No-Score Tie

Time-Honored Rivals Battle Without Results on Gridiron at Ebbets Field

Honors were evenly divided in the annual clash for the Catholic scholastic championship of Brooklyn yesterday, when the eleven of Brooklyn Prep and St. John's Prep battled to a scoreless tie on the Ebbets Field gridiron. It was a moral victory for the red-jerseyed St. John's team, as it was its nearest approach to a victory over its traditional rival in seven years of annual conflict. Brooklyn won all of the six previous meetings.

The Blue and White entered the field minus the services of three of its stars who are trailing in their studies. Coach King, of St. John's, had his full strength out, including the star fullback, Jack Kennedy, who made up some scholastic deficiencies at last minute.

Brooklyn played a much better game and outlasted its rival throughout, but fumbles and poor generalship at critical moments cost it the victory. Quarterback Malone called for "Bub" Saunders, the great plunging back, almost continually, and when he shifted his tactics they were so apparent that the runner was promptly blocked.

Sanders Star of Game

Sanders was the individual star, averaging five yards every time he carried the ball. He was directly responsible for eight of his team's eleven first downs. St. John's only scored first downs, and three of these came in the last quarter through the medium of forward passing.

Joe Pollack was the chief field get into smooth working formation in the first quarter, carrying the ball to within twenty yards of the St. John's goal line. Again in the second quarter Pollack was the key player, carrying the 9-yard line, but Malone's was thrown for a loss on an end run and St. John's recovered the ball. Brooklyn had several other chances to score, but St. John's held stubbornly near the goal line.

Jack Bowen, the fleet right halfback of the Blue and White team, broke away in the last quarter with one minute to play and skirting right end, cleared for a touchdown with only Meany, the St. John's quarterback, in his path to a touchdown. Meany lunged at Bowen, but the latter had made up his mind to go. He carried the ball twenty-seven yards, and both teams fought the side line. This brought the ball to St. John's 20-yard line, but three and three failed and the game ended with the ball on St. John's 25-yard line.

Cold Hamper for Players

The day was too cold and the wind too severe for perfect handling of the ball, and Brooklyn suffered the greater from the severe weather. The Blue and White backs found it difficult to throw forward passes and just the ball twice on fumbles. St. John's also fumbled twice and Kane, of Brooklyn, recovered on each occasion.

Montclair Swamps Jamaica

MONTCLAIR, N. J., Nov. 5.—Montclair High School overwhelmed the Jamaica High School team yesterday afternoon, 13 to 0. The Montclair team scored four touchdowns and made the longest run of the game, 60 yards, by halfback, Fred Cravely, by his plunging and blocking. His end runs, also aided in the scoring.

Fordham Prep. Easy Victory

Fordham's Prep's fast eleven, led by Quarterback Shere, had no difficulty in defeating the heavy Yonkers High team at Fordham Field yesterday. The score was 35 to 0.

Tales of a Wayside Tee

By GRANTLAND RICE

Copyright, 1921 New York Tribune Inc.

There is still a broad span of golfing country between the best of the males and the best of the females in competitive play.

Miss Leitch recently proved that at Pelham, when she turned in an 83 against Jim Barnes and yet found herself down at match play, and no less than a might stroke away at medal play. It might be argued, of course, that a 68 over Pelham was an abominable feat. This is true, but it is still proof as to how far a star male golfer can lead a female opponent, even when the latter is playing around her top speed.

The Advantage

Wherein does the main advantage lie? In comparing, for one example, Jim Barnes and Miss Leitch, we find the advantage is a general one in every department of the game.

Swimming Tie Of High Schools Still Unbroken

4 Leaders in Annual Championship Tourney Easily Dispose of Opponents

One-sided competition marked the fifth series of dual meets for the P. S. A. L. swimming team championship of greater New York in the pool of Columbia University yesterday afternoon. All the leading schools have drawn weak opponents and won by big margins.

De Witt Clinton defeated Commercial by 40 to 12, Townsend Harris outpointed Richmond Hill, 37 to 16; Manual Training vanquished Jamaica, 40 to 13; Commerce downed Flushing, 44 to 9, and Stuyvesant topped Morris, 38 to 14.

The four-cornered tie for the lead in the title tournament remained unbroken. Evander Childs and Erasmus, slated to meet Far Rockaway and Boys' High, respectively, were awarded victory by default owing to failure of the latter schools to report, and as De Witt and Commerce scored over their opponents these four schools have come through to date without losing a match.

James Harrette, of the High School of Commerce, returned an excellent performance in the engagement with Flushing. Apparently without extending himself he won the 220-yard swim in the good time of 2 minutes 56.1 seconds, or within a fraction of a second of the best time made during the series this year.

Up to his past good work in taking the fifty-yard free style dash in 26.5 seconds, and P. Mare, Commerce, furnished a surprise by winning the 60-yard backstroke in the fast time of 38.5 seconds.
